

BOARD DIRECTORS - EXPRESSIONS OF INTEREST

ANTaR is a long standing advocacy and campaigning organisation supporting justice, rights and respect for Aboriginal and Torres Strait Islander peoples for over 20 years.

We are seeking expressions of interest to fill several vacancies from retiring Board members. In particular, the Board seeks to maintain balanced representation by Aboriginal and Torres Strait Islander directors and non-Indigenous directors and we strongly encourage Aboriginal and Torres Strait Islander people to apply.

We work in solidarity and partnership with Aboriginal and Torres Strait Islander people. Principally we do this by supporting national advocacy campaigns such as Close the Gap, Change the Record Campaigns and through our advocacy on Treaty.

We've just launched a [new strategic plan](#) that will guide ANTaR as it evolves to have a greater focus on contributing research to support the advocacy of First Nations peoples rights.

In the near term we are focussed on producing the [National Treaties Summit](#) in April 2020 which we are co-hosting with the National Native Title Council, the Federation of Victorian Traditional Owner Corporations and the University of Melbourne.
